Nash Parish Council

Vacancy for Clerk/Responsible Financial Officer

Applications are invited for the part-time role of Parish Clerk/Responsible Financial Officer. An overlap period with the current clerk, John Hamilton, can be arranged so as to facilitate a handover. Previous experience is not essential as training is available if required.

The Clerk/Responsible Financial Officer is responsible for administration, correspondence, and finance including preparation of agendas and minutes; book-keeping; preparing and maintaining budgets; liaising with Aylesbury Vale District Council and Buckinghamshire County Council, local organisations, and Nash residents. The Council meets bi-monthly six times a year in the evenings and also holds the Annual Parish Meeting in May. The Clerk is expected to attend each of these meetings. The hours are flexible and are expected to average over the year about six hours per week. There will be a need to work from home with the Council providing a laptop and printer for this purpose.

Candidates should have access to the internet and be able to use Word and Excel (or suitable alternative packages) and also be self-motivated and able to work to deadlines.

The position is salaried at hourly rate of between £9.80 to £12, depending on experience.

For a copy of the job description please contact:

John Hamilton

In order to make an application please apply in writing to the Chairman:

Cllr Mike Williams,

Nash Parish Council

Annual Parish Meeting. This took place on 17 May in the Village Hall. Ten residents attended in addition to Councillors. The Chairman presented on the work of the Parish Council over the last year and details of the presentation can be found on the Parish Council website. There was an update on the Nash Development Plan from Des Hickey.

Annual Parish Council Meeting. This also took place on 17 May immediately after the Annual Parish Meeting. Both Mike Williams and David Carter were re-elected as Chairman and Vice-Chairman respectively of the Parish Council. The Council's accounts and related documentation were each approved at the meeting and details of these can also be found on the Parish Council's website.

Nash Park, further unauthorised building activity and retrospective planning application. Residents will be aware that a third retrospective planning application has been submitted for Nash Park and in respect of the unauthorised works. The Parish Council have objected to the application and the Parish Council's submission can be found on the AVDC planning website. The Parish Council continue to press AVDC for clarification as to what action they are taking in respect of the unauthorised works (which were carried out in August 2017) and which are in breach of a High Court. AVDC say that they are continuing to work with their legal advisers on the matter but without providing any details of substance.

Planning application 17/04533/APP – 9 houses on land at Church Farm, 4 Stratford Rd. The Parish Council understand that a new planning officer has taken over the matter, he is unable at this stage to say when a decision will be made.

Play Around the Villages in Nash. This will take place on the afternoon of Tuesday 14 August in the recreation ground. It is a supervised play scheme for 1-11 year olds providing a wide range of play activities. Posters with further details will be displayed nearer the time.

The village annual litter collection. This was to have been held in March but had to be postponed owing to the weather. It will be rearranged in the Autumn and at a date to be announced.

Mobile Library service. Following public consultation, Buckinghamshire County Council decided on 20th April to end the Mobile Library service, with the final visits being due on 31st May 2018.

And finally. I have been Parish Clerk for five years and think it is now time to step down and allow someone else to take on the role (see advert elsewhere in the Newsletter). This is a challenging, interesting and varied position playing an important part in the life of the village. Do give it consideration, prior experience is not required and training and guidance is available if required.

Meetings. The meetings of the Parish Council in 2018 will take place on 19 July, 20 September and 15 November. Meetings start at 7.30pm and all residents of Nash are welcome to attend and speak.

John Hamilton,
Nash Parish Clerk

Nash NDP

The Neighbourhood Development Plan committee were pleased to be able to update the Nash Parish Council on the state of the plan at the PC AGM on May 17th

The plan has had its first sally out into the outside world having gone through a phase termed "Screening" where the three statutory consultees – The Environment Agency, Historic England and Natural England gave their opinion on our work. A 28 day consultation period took place 05 March 2018 to 13 April 2018. We received the results in early May. The three statutory consultees were in agreement with the screening opinion outcome that a "Strategic Environmental Assessment" would not be required. This was good news as it would have slowed the process by a few months. They also had no objections to the NDP itself and were all happy to pass our NDP to the next stage. Again good news

The NDP team at AVDC also kindly volunteered to give our NDP an unofficial run through and came back with a number of recommendations to tighten up and restructure the plan. We are currently going through these but are very likely to adopt their recommendations.

The next legally-required stage is to send the plan out to a far wider set of people of interest. AVDC will advise us on the format this should take and provide us with a core list of people to contact. The Nash PC will add to this list. This has been delayed by the clash with the GDPR deadline - the reason we are all getting so many emails from bodies we hardly knew ever contacted us - which we all agree is best to let pass before we start contacting anybody. But as soon as that is over the next stage begins. Hopefully still all roughly on schedule.

Bin collection days may be changing for many households

Aylesbury Vale District Council is making some improvements to its recycling and waste collection services. There are a number of changes that are planned and AVDC will be launching a public information campaign, starting early June and running throughout the summer.

Having recently invested £3.7m in a new state-of-the-art waste vehicle fleet, all recycling, general waste, food and garden waste collection rounds are currently being redesigned to improve capacity and fuel efficiency. Any changes to a customer's bin collection day will not come into effect until early September.

A letter explaining the day changes will be sent to all households across the Vale during mid-August, along with a new bin collection day calendar. The frequency of household collections **will not** change; with recycling and general waste collected on alternate weeks, garden waste collected fortnightly and food recycling collected every week.

The council will do all it can to make sure that customers have all the information they need so that the changes happen as smoothly as possible.

Refuse Collections

www.aylesburyvaledc.gov.uk/find-your-bin-day

Food waste: Every Tuesday

General waste: Tuesdays 5 & 19 June, 3, 17 & 31 July

Recycling: Tuesdays 12 & 26 June, 10 & 24 July

Garden waste: Mondays 4 & 18 June, 2, 16 & 30 July

(Please make sure your bin is out for 06.30 for garden waste)

If AVDC misses a collection, then report this within 48 hours either by phone to AVDC (01296 585858) or via their website.

Nash Village Fete
Saturday, June 16 at 2pm

The fete committee need your help to ensure the fete is a success and we all enjoy the afternoon.

We need the following items to sell – BOOKS, TOYS, BOTTLES, PLANTS, CAKES AND PRODUCE (i.e. homemade jams, marmalade sweets etc.) and OLD CHINA (no glass) for China Smashing.

The Village Hall will be open on Friday evening (15th) to deposit items for sale. If you are unable to take your items to the Hall please call Hilary Young to arrange for them to be collected.

Bottles for the bottle stall can also be left at 19 High Street.

The Heath Band will provide music. There will be a coconut shy and other games as well as a BBQ, beer tent, teas and ices.

Children's races and tug-of-war for all ages will also take place.

We will shortly be coming around the village selling raffle tickets and delivering "fete reminders".

Finally, the fete needs volunteers to prepare the playing field for the fete on the Saturday morning and to dismantle everything at the end of the afternoon. If you are able to help in anyway please let us know when we come around with the raffle tickets.
