Nash NP – The Paper Chain grows

The NP Committee were able to update the Nash Parish Council meeting on 18 July 2019 with progress since the last meeting

We contacted AVDC's team after the last PC meeting stating that the Nash PC were happy to let the latest version of the NP go forward to AVDC. We then forwarded the NP to AVDC for them to do a friendly "Preview" to make sure they could back us from the start

AVDC responded after a few days, in early June, saying they had no major problem with any of it and including a list of minor suggestions for change before they accepted it. The Committee could see no difficulty with these suggestions. However AVDC added that in addition to the NP, they would need enlarged versions of some of the maps and two additional documents, termed a "Consultation Statement" and a "Basic conditions statement". These are national requirements, not AVDC's.

To put it in the most simple possible terms a "Consultations Statement" is a "Project Diary" and the Basic Conditions Statement sets out how legal requirements and procedures have been met

In brief, that is a requirement for four documents to move forward to the next stage and their current status is

- 1) NP - requires inclusion of AVDC comments . Minor.
- 2) Maps – already completed by Nash Cllr David Carter
- 3) Consultations Statement - first draft sent to AVDC in mid June. They replied at the end of June and agreed we are on the right track and should expand it while comparing to accepted ones. We have a huge amount of correspondence for possible inclusion . These Statements can reach 100 or even 150 pages, much bigger than the NP itself. Well, lumberjacks have mortgages too
- 4) Basic Conditions Statement - to quote AVDC's advice to us "This is an important document which will likely take quite a lot of work to draw up". The Committee met on Monday 22nd July 2019, to plan what we need to do and divide up the work for this.

So, we are on track, but have to add more documents. We did expect at some point to have to provide a "Project Diary" and we do not lack for content.

But there is one unexpected benefit to this. Our NP is supposed to be completely compatible with AVDC's own plan (the "VALP"). In fact the examiner was not happy with the first draft of the VALP and told AVDC to go back and change substantial bits of it. AVDC's proposed changes were given their first exposition this week (23rdJuly) and both the PC and experienced committee members are going through it as you read this, to see if we need to fine tune the NP. Nash may be a small village but we are blessed with a lot of local talent for our size and we might as well be compatible with the latest strategic plan.

I would like to add that nobody is keener to see AVDC accept the Nash NP than the NP Committee and we will do all that we possibly can to ensure this happens as soon as possible.

From the Chairman of the Village Hall:

The PUMP is 50!

On the 2nd May 2015 Nash held its first Pop Up Micro Pub, The P.U.M.P.

In those early days of our monthly pub we were unsure how well such an event would be received, and there was a degree of nervousness amongst the members of the committee about paying to run it. However, with some good planning and organising by the vanguard members of the organising committee and other supporters and volunteers and a sponsor company to underwrite the costs we went ahead and we had nearly 100 visitors / customers / neighbours attend and so the PUMP was born.

It was the pioneer event that spawned a renaissance of community social activities like the ever-popular quizzes, Safari Suppers and also some new ones like Nash Trash, the Community Café and the Nash Festival alongside some of the other mainstay events like the Fete, community lunches, coffee mornings and big breakfasts to name but a few.

It has to be said that it is a great time to be a resident of Nash which is a caring and socially vibrant village even though there are less than 500 souls to make this all happen.

The PUMP will have its 50th event on **Saturday 3rd August 2019**, so do come and say hello to your neighbours and raise a glass on this golden occasion if you can. The beer this time will be the appropriately named Hooky Gold, and Old Hooky as well as White and Pink Prosecco, Red, White and Rose wine plus all the normal shorts and mixers and maybe a summer cooler.

If you are able to provide additional support pulling pints at the bar for half an hour or an hour or so that would also be greatly appreciated and is a great way to meet a large section of the village in short order please let this month's organisers know and we look forward to seeing you.

Nash Parish Council

Nash Parish Council (NPC) met on 18 July 2019. This was the first meeting since my appointment as Clerk to NPC. My contact details are provided below. I look forward to meeting as many of you as possible in due course.

Kathy Hickey was co-opted to the casual vacancy which arose from the resignation of Cllr Jo Jones. Cllr Hickey can be contacted by email. Another casual vacancy has arisen following the recent resignation of Cllr Sue Castle-Smith. A vacancy notice has been posted on the NPC website and the Village Hall noticeboard. Please get in touch if you are interested in joining NPC.

Planning Matters

NPC received reports about the following recent planning matters:

19/00276/APP, proposed garage / carport conversion and first floor balcony to rear, at 20A High Street. Supported by NPC.

19/02438/APP, variation of condition 2 on application 15/02233/APP dated 11 August 2016 to increase the number of pitches of the site from 11 to 12. "There shall be no more than 12 pitches on the site and on each of the 12 pitches hereby approved except Pitch 10, no more than 2 caravans, as defined in the Caravan Sites and Control of Development Act 1960 and the Caravan Sites Act 1968, shall be stationed at any time, of which only 1 caravan shall be a static caravan. On Pitch 10 no more than 4 caravans shall be stationed at any time, of which no more than 2 shall be static caravans" at 1 Nash Park, Nash Road, Great Horwood. Opposed by NPC.

18/03787/ALB, to reinstate wall at Church Farm 4 Stratford Road. The NPC response concurred with the need to replace the wall. Replacing the wall on the same lines as the property directly opposite as opposed to the walls on the edge of All Saints Close which would be more appropriate was queried and asked whether omission of the wall facing Old English Close was intended. Supported by NPC. The much more serious and dangerous condition of the other wall on the boundary of Old Gentleman's Close was discussed by NPC. The matter is being reported to the Borough Surveyor and followed up with the owner.

19/00876/ APP, for demolition/conversion of the existing modern barn building for three new residential dwelling each with three bedrooms at Holywell Farm. Cllr Carter's proposal that the matter be reopened was not supported.

Nash Neighbourhood Plan

The Chair of the Nash Neighbourhood Plan Committee (NNPC) reported that the Neighbourhood Plan had been referred to AVDC for preview consideration. A positive response was received from AVDC which included a list of minor suggestions, requested enlarged versions of some of the maps and two additional documents: a consultation statement, essentially a project diary, and a basic conditions statement setting out how the legal requirements and procedures had been met. These requirements represented a large volume of work which it is hoped could be completed late-August. The Chair of the NNPC was warmly thanked for his work.

Nash Recreation and Playground

NPC undertook to seek quotes to address sections of the fence which are in an unsafe condition and dangerous. A replacement swing seat has recently been fitted in the play area.

Picnic Unit by the Pond

NPC is purchasing and installing a picnic unit by the pond, under the canopy of trees, with funding made available by the Nash Fellowship. Delivery and installation of the picnic unit is scheduled to take place before the end of July.

Other Parish Matters Pavement

The deteriorating condition of the pavement near Holywell Cottages has again been reported to no avail to the Area Technician. The matter will now be referred to the Leader of Buckinghamshire County Council.

Cllr Carter reported the survey of the village drains he had undertaken had revealed 15 of the drains out the 49 drains checked were blocked. The regular flooding on the bend on the opposite side just passed the Village Hall was also discussed. NPC agreed to refer these matters to Transport for Buckinghamshire.

Our discussions also included plans for clearing the village pond of weeds and the overgrown footpath – more information will follow as progress is made.

Reports

NPC received reports from and/or about the following bodies:

Aylesbury Vale District Council

Buckinghamshire County Council

Buckingham Local Area Forum

North Bucks Parish Planning Committee.

Future Meetings

Future NPC meeting dates are provided below. The meetings are held in the Village Hall and start at 7.30pm. All residents of Nash are welcome to attend.

NASH FETE 2019 RAISES £2,672

The rain came down but did that stop us? Over the years we appear to have become immune to a little “inclement weather” on Fete Day!

Thank you to everyone who contributed to make June 15 another successful fete. It needs a lot of effort in many different ways to make the day an enjoyable one and I think we succeeded! The committee put in a lot of effort in organising the day but ultimately we heavily rely on the goodwill of our “volunteers” on the day, who give of their time and energy.

As in the past, the money raised is divided between the Church and the Village Hall.

Do you have any ideas for new games, different stalls or some kind of attraction for 2020? The committee would welcome your ideas or would you like to join the committee? Please contact Hilary Young

Nash Fest 3

In tune with a fun day!

The third Nash Festival was held on the 20th July on the recreation ground this year between 2 p.m. and late, and it was a great success once again.

With an eclectic mixture of music from 4 bands, a great kids play area, bouncy castle, arts and crafts, beer and wine bar, tea and cakes, face painting and much more. The day was a great hit with all who attended. Our thanks to the Festival committee and all of the volunteers who brought this event together.

To quote one regular attendee "Nash Fest gets better every year!"

The event raised over £1500 towards the upkeep and running of the Nash Village Hall.

The feedback from social media has also been very encouraging and the early planning for Nash Fest 4 is already underway with plans for a better day, with a wider range of lively bands, packed full of fun. If you would like to participate and help in the organising committee for next year's festival and / or volunteer to support the event in any way please contact social committee chair Mary Vinakoti. Equally if you have any ideas about how to improve the event or any contacts we should know about then again please get in touch with Mary (as above) or Mike Williams, Chair of the Village Hall committee.

Rock on Nash Fest 4!
