Harvest

A successful Harvest week-end was held on 21/22/23 September. There was the Village produce show on the Saturday (organized jointly with the Village Hall), followed by the Harvest Service on the Sunday morning and the Harvest Supper and Auction on the Monday evening. The church collection and all the proceeds from the Auction and Supper, after deducting the cost of hiring the Hall, were given away – nearly £700 in total. Half went overseas (to the Red Cross Disaster Fund) and half to Local Food Banks. Thank you to all who were so generous in supporting this fund-raising effort.

Churchyard/Church clean and Gift Day

Thank you to all who came and helped with tidying the churchyard and cleaning the church. Everything looked very smart for the Remembrance Day Service on Sunday 10 November. The collection at that service enabled us to send £112.19 to the Royal British Legion.

Thank you especially to all who were so generous on Gift Day. We will have some substantial bills to pay in the next few months and so we are delighted that the Gift Day (including recovered Gift Aid) raised just over £4,800.

Forthcoming Events

The next Knit and Natta dates are as follows:

21st January and 18th February 2.30-5pm.

All are welcome whether you knit or not. A cuppa awaits you!

Vicky

Kings and camels

Our knitted nativity figures will be adventuring around the village again this year on Advent Sunday, 1st December. We have Mary, Joseph and the donkey going one route to arrive at church for the Carol Service on 22nd December, and three kings and their camels going by another route to arrive in church for Epiphany on 5th January. All will be looking for lodging for the night. They don't break and can be played with or simply admired on your mantelpiece or in your window. Last year they became Facebook celebrities! Please let Pam know if you can offer a bed for the night.

Singing at Christmas

This year we will be meeting to practice on Thursday nights, starting 5th December at Wood End Farm, then Thursday 12th and Thursday 19th December, 8-9pm.

There will only be 3 weeks before the Carol Service at 3pm on 22nd December. Please come and join us and

bring your friends. As ever, we are looking for enthusiastic people who love singing.
Pam King

Singing round the Christmas tree at the village hall We will be singing outside the village hall on Friday 13th at 7pm as we turn the lights on, for those of you who want to. Bring some mince pies and come and hone your carol singing skills.

Carol singing for Willen Hospice We will be singing around the village, collecting for Willen Hospice for 2 nights before Christmas, on 18th and 20th December, 7pm start at the church.

New Rector

All Saints' Nash is forming part of a new Benefice with the neighbouring villages of Beachampton, Thornborough, Thornton and Whaddon. The new Benefice will be called the Blackthorn Chase Benefice and the position of Rector (Designate) for the new Benefice has just been advertised in the Church Times and on the Oxford Diocesan website (www.oxford.anglican.org/vacancies) with a closing date of 16 December.

Coffee Morning

About 40 people attended our successful coffee morning in Nash Village Hall on 23 November which raised over £260 to support the work of Dr Shirley Heywood with the International Nepal Fellowship in Surkhet in Nepal. This is in addition to the £200 we raised in June.

NASH HARVEST PRODUCE SHOW, SEPTEMBER 21 2019

Thank you to all those who competed in this year's show, those who came and supported the event (and enjoyed a cuppa and a chat!) and those who helped on the day. The Show isn't staged as a fund raiser but we did make £273 which has been divided between the Church and the Village Hall. The number of entries were about the same as last year and one of the judges was heard to comment that "Nash certainly knows how to bake cakes!" Next year the Produce Show will be held on Saturday September 26 so if you only came and admired the exhibits this year, why not enter a class next year? A full schedule of classes will be announced in the next newsletter but if you have any ideas for a class please put forward your suggestions to Pam King, Ruth Meardon or Hilary Young.

Buckingham Food Bank

Thanks to everyone who has donated to the Food Bank.

There is always a current list of produce needed on your notice board in the porch.

Many thanks

Beverley Stockill and Anne Mercer

Nash Neighbourhood Plan

The NP Committee were pleased to tell the Nash Parish Council, at its meeting on 21st November 2019, that they have submitted the NP and its three supporting documents to AVDC. The AVDC NP team have sent the plan to their teams and are asking for their comments over the next 10 days or so.

Following AVDC's examination and probable tweaks following their comments, the NP will then be passed to an external examiner. AVDC will contact NPIERS to identify which potential examiners who are available. AVDC formally appoint the examiner as they pay the fees and sign the contractual agreement. But AVDC say that they will check with Nash Parish Council to ensure we are happy with who is available and get our thoughts on them.

The AVDC elections team are, not surprisingly, unexpectedly very busy with the general election. A number of other villages are just ahead of us in the queue (NPs have become very popular since we started) but the Nash NP Committee are hopeful that the Referendum will be held in spring 2020- which will feel better than turning out to a polling booth on a cold winter's evening. As mentioned before, all residents on the electoral roll are entitled to vote and we can assume, given the current political turmoil, that everyone interested has made sure to be registered.

The NP Committee Chairman pointed out that the Parish Council will receive full instructions from AVDC on how the Referendum should be publicised while remaining independent. Individual residents and groups of residents will be at liberty to publicly support or not support the NP in the Referendum.

Finally, with the General Election in full swing we will all have noted in candidates' leaflets that the Oxford-Cambridge Expressway is becoming a matter of importance in our constituency. Will it be re-examined, re-routed or even cancelled? Time will tell. Regardless of your view of the Expressway or candidates, it is good to see such an important planning matter being treated seriously. With decisions on the replacement of AVDC, the proposed Expressway and its million houses, HS2 and developments near Whaddon, the next 12-18 months are going to cause changes which will influence our part of the world at every level for the next 50 years, at least. Having a Nash NP in place will show we take our little part of England and its future very seriously, from the grassroots up.

Des HICKEY, Chairman, Nash NP Committee

Nash Parish Council

There have been two meetings of Nash Parish Council (NPC) since my last report. At our meeting in September Sally Howard was co-opted to the Parish Council. Rhys Collins was co-opted at our November meeting. These casual vacancies arose following the resignations of Cllr Castle-Smith and Cllr Afflick, both of whom we thank for their work.

Our newsletter reports are 'highlight-based', whereas the minutes of NPC meetings provide a formal record of the business and ongoing activities. The minutes are published on the noticeboard by the Village Hall and on the website.

Our focus in October was dealing with the Nash Park appeal which was lodged against AVDC for non-determination of the application to extend the site. NPC has engaged a consultant from Walsingham Planning to help mount robust opposition. In addition to preparing an objection document for submission to the Appeals Planning Inspectorate, the consultant will attend the appeal hearing with the Chair of NPC. The date of the appeal hearing is yet to be announced. The document prepared by the consultant opposes the appeal on the planning

grounds. The other documentation submitted by NPC addressed the impact of Nash Park on the local area and its residents. We are grateful to the residents of Nash for their help and support. The AVDC Planning Enforcement Team has recently obtained a further injunction relating to the Nash Park land, including the land to the rear/west which is the subject of the current appeal.

NPC continues to press for action to rectify the poor condition of the Whaddon Road, Thornton Road, Thornborough Road and Little Horwood Road leading to Nash. At its recent meeting NPC was pleased to learn BCC Cllr John Chilver had put the repair of these roads forward as his priority for the 2020/21 budget. NPC agreed to publicise 'Fix My Street' and encourage all residents to use it to report road and pavement defects.

FixMyStreet is a map based UK website and app by mySociety to inform principle authorities about problems needing attention.

www.fixmystreet.com

Please report all road and pavement related problems.

As the end of 2019 comes ever faster into view, I should like to wish the residents of Nash a Very Happy Christmas and New Year.

Alison Robinson
Clerk to Nash Parish Council

Costa Rica

I would like to thank everybody for the support they showed me as I raised money for my Costa Rica trip in July – the expedition was an incredible experience. Standing on that beach, up to my knees in sand, watching the hatchlings crawl down into the waves as the sun rose over the Atlantic gave me a truly indescribable feeling and has given me so much respect for the people who dedicate their lives to causes like this. LAST (Latin American Sea Turtles) are an amazing organisation that do so much good for turtles all over Central America and working with them was hugely enjoyable (even on the nights I was on patrol until 3am!) and I couldn't have gotten there without the support of the village, so again: thank you. In my time at LAST, I released over 800 leatherback hatchlings into the sea, protecting them from both their natural predators and poachers and giving this endangered species a better chance at a future.
